Throughout the summer months, two beautiful Memorial Gardens were installed in front of our Cutler Pond Road facility in celebration of ACHIEVE's 60th Anniversary and in honor of the vision and work of our Ten Founding Families. The larger of the two gardens, which is built around our flagpole, includes a granite monument honoring each of ACHIEVE's Founding Families.

A special dedication ceremony was held on Friday, October 26th to unveil the gardens and honor our Founding Families. Special guests in attendance included Assemblyman Clifford Crouch, Assemblywoman Donna Lupardo, Town of Dickinson Supervisor Michael Marinaccio, and President & CEO of the Greater Binghamton Chamber of Commerce Lou Santoni. Also in attendance were family members of two of the Founding Families – Patrick Sheehe, son of George and Josephine Sheehe, and Claudia, Gordon, and Norman Brown, children of Clyde and Elsie Brown.

ACHIEVE would like to say thank you to James Hoteling, Owner of Hillside Gardens, Elizabeth Snyder, Landscape Designer, and David Cooley, Owner of Binghamton Johnson City Monument Company for their hard work and creativity in the design and installation of the gardens.

Engraved Commemorative Brick Paver Fundraising Program

In correlation with the Memorial Gardens, ACHIEVE is pleased to offer an Engraved Commemorative Brick Paver Fundraising Program. Engraved commemorative brick pavers will be laid surrounding and connecting the two Memorial Gardens. Profits from your purchase go directly to the *Growing Spaces, Improving Lives* Building Rehabilitation and Expansion Project.

Brick pavers are an important contribution because they are a small monument of memorabilia left for future generations to come. These pavers are the perfect way to honor or memorialize family members, friends, and other important individuals. The pavers are available in two sizes: 4" x 8" and 8" x 8".
