Since the Unification of ACHIEVE Broome-Tioga and Chenango ARC this past June all of our staff has been working diligently on improving program functions to the individuals we serve. ACHIEVE Broome-Chenango-Tioga would like to invite the community to visit our Chenango Day Habilitation facility to see how we strive to promote the development of self-advocacy and encourage each participant to live their lives how they desire, by providing habilitation and training that relates to their interests and goals. We have provided more meaningful recreational activities and continue to encourage community integration through volunteer and community participation. Please join us for light refreshments and an introduction to ACHIEVE.
